Children for Every Home.

Two years ago I spent about half the winter in bed. The first of last February I heard of Wine of Cardui and commenced to take it. In one month I felt better, and Easter morning a fine baby boy arrived in our home. I have been well since. I can't praise the medicine too highly. I think every expectant mother should use it. I will be glad to answer any lady who should write me to know what the medicine has done.

Wine of Cardui is the best medicine to bring healthy children to barren homes. It brings children by making the mother healthy and able to bear children. Many homes are cheerless because baby's prattling voice is not there. Many a woman on account of childlessness sees little use for herself in the world. She should not despair. Wine of Cardui has made many like her happy. The cause of the majority of barren homes is falling of the womb and other similar ills. The delicate organs are displaced and child bearing is impossible. Wine of Cardui relieves this trouble. It strengthens the weakened ligaments which should hold the organs in place. In a short time the racking pains are banished. Irritation is relieved and the patient soon feels like a different woman.

Finally she is a mother. Then she praises Wine of Cardui for giving her the bliss of happy motherhood in place of pain and misery. No despondent woman should give up hope until she has given Wine of Cardui a trial. If you have any doubt about your trouble write to the 'Ladies' Advisory Department', The Chattanooga Medicine Co., Chattanooga, Tenn. Give symptoms and advice will be returned to you free of charge. Communications are confidential.

From George L. Nelson, Hartington, Nebr.:

My wife was benefited by Wine of Cardui to such an extent that we have a little cherub in our home.

Wine of Cardui is sold by all Druggists at \$1.00 per Bottle.
